EXAMINATION ASSESSMENT SERVICES

Pricing

There are five assessment packages that are available to suit each school budget.

1. The **'basic'** assessment package: assessors will correct student exams without annotations or comments. This is equivalent to the assessment conducted on behalf of the VCAA. Teachers/students are provided with a score for each question and an overall score for each paper. The price per examination paper is \$13 (inclusive of GST)
2. The **'basic+'** assessment package: the 'basic' assessment package with the addition of an 'Examiner's Report'. The price per examination paper is \$18 (inclusive of GST). [Only available if the number of papers being assessed exceeds 15.]
3. The **'basic ++'** assessment package: assessors will correct student exams with annotations and some comments designed to highlight errors and justify the score provided. The price per examination paper is \$26 (inclusive of GST).
4. The **'basic +++'** assessment package: the 'basic ++' package with the addition of an 'Examiner's Report'. The price per examination paper is \$31 (inclusive of GST). [Only available the number of papers being assessed exceeds 15.]
5. The **'premium'** assessment package: assessors will correct student exams with annotations and detailed comments designed to highlight errors and provide advice for improvement. This package also includes the preparation of an 'Examiner's Report' in the event that the number of papers being assessed exceeds 15. The price per examination paper is \$37 (inclusive of GST).

Note 1: CPAP assessors have years of experience assessing final examinations for the VCAA. However, CPAP assessment services are in no way connected with the VCAA. Accordingly, the advice or correction provided by CPAP Assessors is independent of any advice provided by the VCAA. In the event that schools and/or student receive advice that is inconsistent with VCAA communications, the advice provided within VCAA documentation should prevail.

Note 2: The prices above assume email delivery of assessment material to the following email address: cpap@commpap.com. In the event that hard copy assessment material requires posting, all costs will be incurred by schools.

Note 3: Only past VCAA examinations or CPAP practice examinations will be assessed by CPAP assessors.

Send an email to CPAP cpap@commpap.com for further details.
