The CPAP exam preparation lectures run for three and a half hours and are presented exclusively by experienced teachers who have years of experience assessing final examinations. The programs will be held via webinars in October and are designed to show students how to apply their knowledge of the course in the examination in a way that enhances examination performance and impresses the examiners.

Each program will include:

- strategies to interpret questions accurately
- strategies to structure responses in a concise and efficient way
- analysis of sample responses
- emphasis on the common errors to avoid
- tips and tricks to employ to increase efficiency and time management
- strategies to unpack the most difficult parts of the course
- strategies to incorporate relevant and contemporary information into responses.

All participants are provided with notes to complete during the program and there will be opportunities to quiz our experienced examination assessors at the conclusion via the optional 30 minute Q&A session.

All programs continue to be reasonably priced
at only **\$44 per ticket**.

CPAP EXAM PREP PROGRAMS 2023

All CPAP lecture programs are priced at \$44 per person for a 3 hour lecture followed by an optional 30 minute Q&A session.

'Exam tips, were really helpful- gives better understanding of what to focus on. Opinions coming from the assessor are really helpful. How to effectively answer questions on the exam were helpful and how to gain full marks. information comes from many different resources.'

Simone Petrovski, Mill Park Secondary College

'Both lecturers were motivational and excellent at clarifying key areas of the study design and highlighting trouble areas. The summary notes distributed were of a high quality and extremely comprehensive and easy to follow. Overall a truly fantastic lecture.'

Monica Grierson, Macrobertson Girls' High School

'The CPAP eco exam prep lectures are the BEST lectures I have ever been to. The notes are fantastic and the quality of the presentation is of a very high standard. I learned many tricks and other useful points for the final exam which I otherwise would not have known. I've never met someone who explains concepts so clearly and effectively.'
